

Occupation and Region of Employment for approved SMC and General Skills principal applicants

Aim

This report summarises the occupations of principal applicants approved residence under the Skilled Migrant Category (SMC) or the 1995 General Skills policy. Region of employment is also summarised for principal applicants approved under SMC.

Standard groupings

Occupations are presented as per the NZSCO (New Zealand Standard Classification of Occupations) or ANZSCO (Australia & New Zealand Standard Classification of Occupations) groupings. The Department Of Labour began recording occupations to level 5 of the NZSCO on 07-Dec-2002 and ANZSCO from 02-Feb-2008.

Using this report

This report is presented in Pivot Table format. Pivot Tables allow the user to alter the cross-section of data that is tabulated by selecting items in drop-down lists.

This report is mainly concerned with principal applicants approved, but figures for secondary applicants and applicants declined are also included for completeness. Note that occupation and region data is not available for these applicants.
