

Occupations of Approved Work Applications

Aim

This report summarises the occupations and regions of employment for principal applicants on work applications approved since 01 January 2003.

Standard groupings

Occupations are presented as per the NZSCO (New Zealand Standard Classification of Occupations) or ANZSCO (Australia & New Zealand Standard Classification of Occupations) groupings. The Department Of Labour (Immigration) began recording occupations to level 5 of the NZSCO on 07-Dec-2003 and ANZSCO from 02-Feb-2008.

Occupations not recorded

Occupation and region of employment are not recorded for work applications approved under certain policies/criteria. In cases where an occupation was not recorded for an application, the application is counted under the NZSCO major group "Elementary Occupations (incl Residuals)", NZSCO unit group "Not Stated", and NZSCO occupation description "Not Stated".
