

27 March 2026

**IMMIGRATION NEW ZEALAND INSTRUCTIONS: Amendment Circular No. 2026-05**  
**AMENDMENTS TO THE IMMIGRATION NEW ZEALAND OPERATIONAL MANUAL**

**Introduction**

This circular outlines changes to immigration instructions. A copy of the amended instructions is attached.

All immigration officers dealing with immigration applications should read the amendments and operate in accordance with the amended instructions from the effective date.

**Note**

The amendments described in this circular will be published in the Immigration New Zealand Operational Manual in due course.

Information about these changes is available on our website [www.immigration.govt.nz](http://www.immigration.govt.nz).

## Description of changes

---

### ***Appendix 13 – Green List***

Changes have been made to immigration instructions to clarify and update the Green List requirements for Corrections Officers, to reflect the change in name of the relevant qualification. This update has also removed the requirement to complete the Corrections Officer Development Pathway.

These changes came into effect on 23 March 2026.

## **Appendix 1: Amendments to Residence and Temporary Entry instructions, effective on and after 23 March 2026**

---

## Appendix 13 – Green List

This Appendix is part of Government immigration instructions as described in section 22 of the Immigration Act 2009 ([WA](#), [WD](#), [WF](#) and [Skilled Migrant Residence](#) instructions).

### Tier 1

| Occupational Group     | Occupation<br><br>Occupations are listed by ANZSCO (Australian and New Zealand Standard Classification of Occupations) code | Green List Requirements<br><br>Qualifications must be comparable to the standard of the New Zealand qualification listed. Also see Note 1 at the end of this list                                                                                                                                                                                                                                                                                                                                                       | Registration Qualifications<br><br>Qualifications required for registration for occupations on the Green List. | Agriculture | Dairy Cattle Farmer<br>(Dairy Cattle Farm Manager) (121313)<br>including Dairy Farm Manager, Assistant Dairy Farm Manager and Dairy Herd Manager | A minimum of three years' experience working on a commercial farm in a relevant role                                                                      |  |

**Note 1:** Qualifications listed (unless an exception is stated) are New Zealand awarded qualifications on the New Zealand Qualifications and Credentials Framework (NZQCF). Overseas qualifications must be comparable to the standard of the New Zealand qualification listed. Unless an overseas qualification is listed on the Immigration New Zealand List of Qualifications Exempt from Assessment (Appendix 17), an International Qualification Assessment (IQA) from the New Zealand Qualifications Authority stating the comparable NZQCF qualification is required.

**Note 2:** Where a Washington Accord accredited undergraduate engineering degree is a requirement, the engineering degree has to be awarded from or after the date the country became a signatory, and must be on the list of accredited programmes of the signatory country. To determine if an engineering degree awarded is Washington Accord accredited, please refer to the links from the International Engineering Alliance on their website: [www.ieagrements.org/accords/washington/signatories/](http://www.ieagrements.org/accords/washington/signatories/).

Where a Sydney Accord accredited undergraduate engineering degree is a requirement, the engineering technology degree has to be awarded from or after the date the country became a signatory and must be on the list of accredited programmes of the signatory country. To determine if an engineering technology degree awarded is Sydney Accord accredited, please refer to the links from the International Engineering Alliance on their website: [www.ieagrements.org/accords/washington/signatories/](http://www.ieagrements.org/accords/washington/signatories/).

**Note 3:** A letter, certificate or registration from the Institution of Professional Engineers New Zealand Incorporated (IPENZ), as Engineering New Zealand was formerly known, may be used to meet the requirement

for a letter, certificate or registration from Engineering New Zealand. A letter from IPENZ may also be used to meet an applicable requirement instead of a letter from IT Professionals New Zealand. IPENZ's name changed to Engineering New Zealand in October 2017.

**Note 4:** Only Level 7 and Level 8 Bachelor degrees not already listed as Green List requirements are listed as qualifications required for registration for occupations on the Green List.

#### Qualifications Eligible for a Post-Study Work Visa

The qualifications listed below include non-degree level 7 qualifications or below that are eligible for a Post-Study work visa under immigration instructions WD3. Applicants must meet the requirements of both column one and (where applicable) column two to meet the requirements of the list.

| Non-degree qualification pathways                                                                                                                                                                                    | Knowledge requirements (focus area)                                                                | Occupation in visa conditions                     |
