Basis for seeking priority processing

Please briefly indicate the basis on which you would like an immigration officer to consider giving your application priority processing:

☐ Should your 2021 Resident Visa application be granted, one of the applicants, as a resident visa holder, has or could have an intention to sponsor family member(s) who express interest in applying for a 2022 Special Ukraine Visa category.

☐ Other reason:

I confirm that I have completed this form to request urgent processing of my 2021 Resident Visa application on the basis of humanitarian considerations.

The information provided on this form is consistent (to the best of my ability) with the information submitted on my 2021 Resident Visa application.

I understand that if I make any false statements, or provide any false or misleading information, or have changed or altered this form in any way, my application may be declined, or I may become liable for deportation.

I understand the notes and questions in this form and I declare the information given about myself, my partner and any children is true and complete.

I will inform Immigration New Zealand of any relevant fact or change of circumstances that may (i) affect the decision on my application for a visa, or (ii) affect the decision to grant entry permission based on the visa for which I am applying.

I am aware that convictions for certain criminal offences committed up to 10 years after first being granted a residence class visa can result in deportation from New Zealand.

I declare that there are no matters or warrants outstanding, or investigations of any kind, which could have any current or future effect on the assessment of my good character or the good character of any other persons who were included in the application.

I understand that if I have received immigration advice from an immigration adviser and if that immigration adviser is not licensed under the Immigration Advisers Licensing Act 2007 when they should be, Immigration New Zealand cannot accept this request for priority processing.

I understand that Immigration New Zealand may provide information about my entitlement to work to potential employers via the online VisaView system. VisaView is authorised by legislation.

I authorise INZ to make any enquiries it deems necessary in respect of the information provided on this form and/or accompanying documentation, and to share this information with other government agencies (including overseas agencies) to the extent necessary to make decisions about my immigration status.

I authorise any agency whether in New Zealand or overseas, including but not limited to border or immigration agencies, education providers, financial institutions, foreign embassies, government authorities, healthcare providers, police or other law enforcement agencies, that holds information (including personal information) related to information on this form and/or accompanying documentation to disclose that information to Immigration New Zealand.

I authorise INZ to provide information about my state of health and my immigration status to any health service agency. I authorise any health service agency to provide information about my state of health to INZ.

I accept that any advice given to me by INZ before submitting this request was intended to assist me, and acting on that does not mean that my application for residence will be approved.

I understand that in order to work in certain occupations in New Zealand, registration is required by law. I accept that the granting of a residence class visa does not guarantee that registration will be granted.

I agree that information about my personal resources and the contents of this form may be provided to Work and Income (a service unit of the Ministry of Social Development) if I apply for an emergency benefit. I understand that I will need to give a copy of my application declaration to Work and Income if I apply for an emergency benefit.

I understand that I am not entitled to an emergency benefit, unemployment benefit on grounds of hardship or sickness benefit on grounds of hardship from Work and Income for the first 24 months of my residence in New Zealand unless I can show that I am in hardship. I also understand that if I apply for an emergency benefit, unemployment benefit on grounds of hardship or sickness benefit on grounds of hardship that I will need to show that I cannot support myself and my dependants before any application for emergency benefit, unemployment benefit on grounds of hardship or sickness benefit on grounds of hardship is considered. I understand that my application for an emergency benefit, unemployment benefit on grounds of hardship or sickness benefit on grounds of hardship may be declined if I have deprived myself of income or property, by gift or any other method.
