IMMIGRATION NEW ZEALAND INSTRUCTIONS: Amendment Circular No. 2024-14

To: All Manual Holders

AMENDMENTS TO THE IMMIGRATION NEW ZEALAND OPERATIONAL MANUAL

Introduction

This circular outlines changes to immigration instructions. A copy of the amended instructions is attached.

All immigration officers dealing with immigration applications should read the amendments and operate in accordance with the amended instructions from the effective date.

Note

The amendments described in this circular will be published in the Immigration New Zealand Operational Manual in due course.

Information about these changes is available on our website www.immigration.govt.nz.

Description of changes

Appendix 13

Changes have been made to immigration instructions to update work eligibility for partners of student visa holders.

Under WF4.1, a person may be eligible for a work visa if their partner holds a student visa to study a level 7 or 8 qualification that is specified on the Green List.

Qualifications that are required for occupational registration have now been added to the Green List.

Appendix 1: Amendments to residence and temporary entry immigration instructions effective on and after 10 June 2024

Appendix 13 – Green List

This Appendix is part of Government immigration instructions as described in section 22 of the Immigration Act 2009 (WA, WD, WF and Skilled Migrant Residence instructions).

Note 1: Qualifications listed (unless an exception is stated) are New Zealand awarded qualifications on the New Zealand Qualifications Framework (NZQF). Overseas qualifications must be comparable to the standard of the New Zealand qualification listed. Unless an overseas qualification is listed on the Immigration New Zealand List of Qualifications Exempt from Assessment (Appendix 3), an International Qualification Assessment (IQA) from the New Zealand Qualifications Authority stating the comparable NZQF qualification is required.

Note 2: Where a Washington Accord accredited undergraduate engineering degree is a requirement, the engineering degree has to be awarded from or after the date the country became a signatory, and must be on the list of accredited programmes of the signatory country. To determine if an engineering degree awarded is Washington Accord accredited, please refer to the links from the International Engineering Alliance on their website: www.ieagreements.org/accords/washington/signatories/.

Where a Sydney Accord accredited undergraduate engineering degree is a requirement, the engineering technology degree has to be awarded from or after the date the country became a signatory and must be on the list of accredited programmes of the signatory country. To determine if an engineering technology degree awarded is Sydney Accord accredited, please refer to the links from the International Engineering Alliance on their website: www.ieagreements.org/accords/washington/signatories/.

Note 3: A letter, certificate or registration from the Institution of Professional Engineers New Zealand Incorporated (IPENZ), as Engineering New Zealand was formerly known, may be used to meet the requirement for a letter, certificate or registration from Engineering New Zealand. A letter from IPENZ may also be used to meet an applicable requirement instead of a letter from IT Professionals New Zealand. IPENZ's name changed to Engineering New Zealand in October 2017.

Note 4: Only Level 7 and Level 8 Bachelor degrees not already listed as Green List requirements are listed as qualifications required for registration for occupations on the Green List.
