Who should use this form?

Use this form if you are:

• in New Zealand on a 12-month Canada or United Kingdom working holiday scheme (WHS) work visa; and
• you wish to apply for a further 11 months.

You must still meet all the requirements from your first application, except the requirement to not have previously been approved a WHS work visa.

No person who holds a temporary visa (including a work visa) in New Zealand may provide commercial sexual services, or operate or invest in a business which provides commercial sexual services.

What documents do I need to provide?

• If you are applying for a further United Kingdom WHS visa, you need to provide evidence of having NZ$350 per month of funds available for maintenance for the remaining period of stay in New Zealand.

• If you are applying for a further Canada WHS visa, you need to provide evidence that you have purchased medical and comprehensive hospitalisation insurance covering the remaining period of stay in New Zealand.

Health requirements

As you intend to be in New Zealand for more than 12 months you must complete a General Medical Certificate (INZ 1007) and Chest X-Ray Certificate (INZ 1096) and provide these to Immigration New Zealand.

If you seek health care when in New Zealand you should carry your passport so that health providers can check whether you are eligible for publicly-funded health care.

VisaView

It is an offence for an employer to employ a person who is not entitled to work in New Zealand. It is also an offence for an education provider to allow a person to undertake a course of study if that person is not entitled to do so.

VisaView is an online enquiry system that allows registered employers and education providers to check whether a person who is not a New Zealand citizen can work or study in New Zealand for them.

If you believe that an employer or education provider has been given the wrong information via VisaView you may contact the Immigration Contact Centre (0508 558 855) to request correction of that information.
