

# Table of changes to fee and levy rates

Please note that the **table of changes to fee and levy rates** is intended only as a general guide. Every application is different, so we recommend you use the Fee Finder tool (link below) on our website to see what you will be required to pay when you apply for a visa.

You can use the **fees finder** to check if you are required to pay the International Visitor Conservation and Tourism Levy (IVL) when applying for a visa, but it's important to note the fee finder will be updated on 1 October to reflect the new visa charges and IVL increase that come into effect on that date.
