

## Regional Workshop for Australia and New Zealand Panel Members

This training will provide specific guidance for panel physicians on grading the immigration medical examination, ethical and integrity issues, eMedical, refugee health and special sessions on tuberculosis (TB) screening and management. Trainers will provide interactive learning sessions, small group work, and there will be plenty of opportunities to network with peers.

Shangri-La Hotel, Bangkok

IPPA, DHA and and INZ will co-host this 2-day workshop at the Shangri-La Hotel in Bangkok, Thailand. With a prime riverside location, direct access to the SkyTrain and public transportation, the venue is a gateway to explore and discover the city.

## **Group Rate**

Conference delegates can access a special accomodation rate which includes daily breakfast, Wi-Fi and applicable taxes.

See panelphysician.org to register and for further details.
