

Term	Definition
Applicants:	Those individuals included in an application. Many applications can have more than one applicant. Individuals who apply for more than one visa or permit in a given year will be counted on each application.
Residence Programme:	The number of new migrants to be approved for residence in a given financial year. (This number does not include the following residence applications: replace, confirmation, residence sponsorship or returning residence visas).
Financial Year:	All data, unless otherwise stated, is for the financial year (1 July – 30 June).
Application Category:	Refers to whether an application is a visa or a permit application. Note that after 1 November, 2010, all applications are visa applications.
Application Criteria:	Refers to the specific policy name under which an application is processed.
Application Stream:	The residence criteria have been divided into three streams. The three streams are: Skilled/Business Stream, Family Sponsored Stream and International/Humanitarian Stream.
Applications Accepted:	Applications which meet the lodgement requirements and have been accepted for consideration.
Applications Decided:	Applications which were approved or declined based on policy criteria. This does not include applications which failed lodgements or INZ refused to consider.
Applications On Hand:	Applications which have been accepted for processing, but not yet decided.
Applications Approved:	Applications which were approved based on policy criteria.
Applications Declined:	Applications which were declined based on policy criteria. This does not include applications which failed lodgements or INZ refused to consider.
