Report prepared: 5 March 2024

| Term                      | Definition   |
|---------------------------|--|
| Applications Approved:    | Applications which were approved based on policy criteria.   |
| Applications Declined:    | Applications declined: Applications declined based on conditions such as not meeting policy criteria, withdrawn due to a client request, withdrawn and replaced by a new application or withdrawn due to a subsequent application being approved. This does not include applications which failed lodgements or INZ refused to consider.                               |
| Standard groupings:       | Occupations are presented as per the NZSCO (New Zealand Standard Classification of Occupations) or ANZSCO (Australia & New Zealand Standard Classification of Occupations) groupings. The Ministry of Business, Innovation & Employment began recording occupations to level 5 of the NZSCO on 07-Dec-2002 and recording ANZSCO occupations from 02-Feb-2008.          |
| Occupations not recorded: | Occupation and region of employment are not recorded for work applications approved under certain policies/criteria. In cases where an occupation was not recorded for an application, the application is counted under the NZSCO major group "Elementary Occupations (incl Residuals)", NZSCO unit group "Not Stated", and NZSCO occupation description "Not Stated". |

# Labour Market Check definitions

Report prepared: 5 March 2024

| Term                                   | Definition  |
|--|---|
| Case made by employer:                 | A case in which an employer satisfactorily argues and supports for the recruitment of an immigrant as opposed to a New Zealand citizen or resident worker. Such cases shall include evidence of the employer making genuine attempts to recruit a New Zealander for the job being offered as well as why they were unsuccessful. "Genuine attempts" are defined in WK2.10.5 and include a mix of determinants. Additionally, employer's can demonstrate a case by revealing: <ul style="list-style-type: none"><li>• any specialised skills the position requires,</li><li>• how the fit of staff numbers to needs has been managed recently,</li><li>• if and how relevant redundancies were considered,</li><li>• how it has collaborated with relevant stakeholders such as ITOs and unions in meeting skilled labour needs.</li></ul> |
| Immediate Skill Shortage List (ISSL):  | Relatively self explanatory: the role offered by an employer requires a skill-set matching one defined and recognised as immediately required in NZ.  |
| Long Term Skill Shortage List (LTSSL): | As above: the role offered by an employer requires a skill-set matching one defined and recognised as being in sustained and ongoing shortage in NZ.  |
| Other Labour Market Tests:             | A test conducted to determine the availability and trainability of NZ cit/res participants in the labour market through "relevant stakeholders within the particular industry, including unions".   |
| WINZ Referral:                         | This should be referred to as "W&I Referral" instead. A test conducted to determine the availability and trainability of NZ cit/res participants in the labour market through the "service delivery arm of...Work and Income".  |
