

VISA PAK ISSUE 604 — 1 NOVEMBER 2024

RESCINDING OF VISA PAK 603

This advice supersedes the advice given in [Visa Pak 603](#).

Last week, a Visa Pak was published intending to clarify advice given in [Visa Pak 580](#) regarding how to determine if a Job Check and Accredited Employer Work Visa (AEWV) application will be prioritised based on a job offer or employment on the Green List ([Appendix 13](#)).

This advice was issued in error and [Visa Pak 603](#) has been rescinded. Allocations of applications under the updated General Instruction on the order of processing [A16.1](#) are published weekly on Immigration New Zealand's website and communicated to teams via their people leaders.
